

WELCOME! We are delighted to host the attendees for the 2019 SCMEC Annual Conference.

Parking Advisory/Information

We are excited to be entering various phases of construction and we ask you to pardon our dust and detours while we embark on this new chapter. Please plan on arriving a few minutes early to allow for parking and navigation through our campus. Upon exiting the 210 Freeway, please continue South on Buena Vista Street passing Duarte Road and you will find the entrance on your left. Please follow the signs for **SCMEC Parking** which will be on your left hand side as you enter from Buena Vista Street entrance.

SCMEC Parking

SCMEC Parking has been secured at **no charge** for the 2019 Conference in the Flash Parking Lot. City of Hope currently has several areas of the campus under construction and parking lots require permits or are designated for patient parking only. To avoid receiving parking citations **please** park in the designated SCMEC Parking lot, which is located directly off the Buena Vista Street entrance. There are pedestrian and vehicle detours so please kindly follow the directional signage or use the provided map to navigate to the conference once you are parked in the designated parking lot. A shuttle stop will be available across from the Flash Parking Lot at the end of the crosswalk and runs approximately every 10 minutes. *Please tell the shuttle driver you would like to go to the Cooper/Platt Conference Center.*

Special Assistance Parking

Should you require special assistance once you park, please call Security at (626) 218-2006 to request a special assistance tram to take you to the Cooper/Platt Conference Center

METRO GOLDLINE

Metro Duarte/City of Hope

City of Hope has a designated stop just steps away from the Cooper/Platt Conference Center. Consider taking the METRO and avoid traffic, construction detours and be steps away for the Conference Center.
